LECTRI-CLEAN

COMPLETELY SAFE AND NON-FLAMMABLE

THE SUPER SAFE, EFFECTIVE CLEANER FOR
ELECTRIC MOTORS AND ELECTRICAL MOTORS

- Increased propellant pressure for instant cleaning action
- Dissolves and flushes away grease, oil and dirt from all equipment and machinery
- Will not damage or corrode motors. Harmless to insulation, rubber, paint and metal.
- Most electrical equipment can be cleaned in place.
- Gets motors super-clean — LECTRI-CLEAN's penetrating action drives cleaning components through the dirt film and into the surface pores
- Motors can be cleaned while running
- Leaves no residue

LECTRI-CLEAN SAVES COSTLY HOURS NEEDED TO REMOVE,
DISMANTLE, REASSEMBLE AND REINSTALL ELECTRICAL UNITS.
