GREASE FITTING ACCESSORIES

- The perfect grease gun for all automotive and truck lubrication
- Easy loading cartridges eliminate waste and mess:
 - Heavy Duty Grease (part #U03-245500)
 - RED Grease (part #U03-249001)
- Develops 0 to 10,000 P.S.I. for all low or high pressure applications
- Primer spring assures even dispensing of grease
- Zinc plated for long service life

H.D. COUPLER

Standard diameter hydraulic coupler for lever gun or chassis control valve. Tested to 20,000 PSI. Ball checked to prevent leakage and loss of pressure. 1/8" (F) thread connection.

STANDARD HAND GUN COUPLER

Narrow diameter hydraulic coupler for lever gun with ball check to prevent leakage and loss of pressure. 1/8" (F) thread connection.

EASY OUT TOOL

Extractor and re-threading tool for replacing broken grease fittings.
