

GLOBAL SPIRAL WRAP

<u>PART #</u>	<u>DESCRIPTION</u>	<u>PACK</u>
A28-200300	1/4 SPIRAL WRAP	(B)
A28-200305	3/8 SPIRAL WRAP	(B)
A28-200310	1/2 SPIRAL WRAP	(B)
A28-200320	3/4 SPIRAL WRAP	(B)

- Allows for flexible routing and lead out of wire and cables
- Resistant to most chemicals, fuels, and hydraulic oils
- Inner edges are rounded to prevent damage to wire
- Helps prevent chafing to wire or hose

WIRE LOOM

<u>PART #</u>	<u>DESCRIPTION</u>	<u>PACK</u>
A28-566210	1/4" FLEX GARD LOOM	(B)
A28-566212	3/8" FLEX GARD LOOM	(B)
A28-566214	1/2" FLEX GARD LOOM	(B)
A28-566216	5/8" FLEX GARD LOOM	(B)
A28-566218	3/4" FLEX GARD LOOM	(B)
A28-566220	1" FLEX GARD LOOM	(B)
A28-566222	1-1/4" FLEX GARD LOOM	(B)

- Manufactured of durable, polyethylene
- Protects the wire from abrasion, pinching, heat, moisture, acids, greases, fuel, and road debris
- Ribbed convoluted design permits unusual flexibility for tighter turns and “snaking” in difficult to get at applications
- Split allows easy sliding of loom over wire harness and permits wires to exit at any point along the harness length, making it easier to use in tight areas
- For use in heat range from -40°F to 200°F
- Can be cut with a knife or scissors
