L09-245016	3/8-16 MACHINE SCREW ANCHOR	(FA)	3/4"	5500		L09-142400
L09-245018	1/2-13 MACHINE SCREW ANCHOR	(FA)	7/8"	6310		L09-142500

INSTALLATION

Drill hole in masonry. Insert Tampin conical end first.

Use setting tool to expand lead sleeve into masonry.

Install work by inserting and tightening a standard machine bolt or screw.
