

## GLOBAL

### GREEN CORRUGATED SUCTION HOSE

**TUBE:** PVC, Nitrile blend (TPR), smooth, black

**REINFORCEMENT:** PVC helix

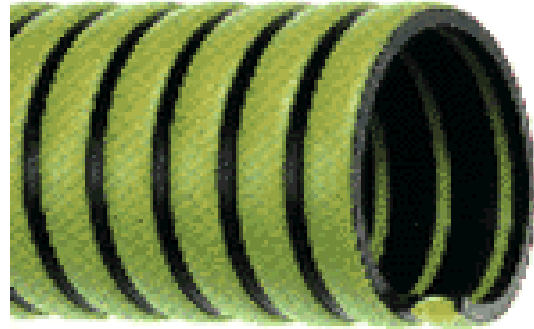

**COVER:** Corrugated, green, TPR covered exterior counterclockwise helix.

**COLOR:** Black with green helix

**TEMP. RANGE:** -30°F to +150°F

**FEATURES:** Oil resistant TRP, extremely flexible and light weight. Resists cracking due to addition of weather, ozone and UV resistant plasticizers. Exceeds chemical resistance of EPDM/PVC.

**APPLICATION:** Liquid suction hose for agricultural irrigation, septic suction, portable toilet cleanout and petroleum spill.

<u>PART #</u>	<u>DESCRIPTION</u>	<u>PACK</u>
115-215150	1-1/2GREEN CORRUG.SUCTION HOSE	(B)
